### Tips For Identifying Spam Emails

If an email is from someone you don't know and the Subject is like any of the examples below, it is probably Spam:

1 *It sounds too good to be true*

Sender: NotMCSpammer

Subject: You just won millions!!

2 *It is advertising something*

Sender: Joe Schmoe

Subject: Great Deals Here

3 *The email sounds interesting but you weren't expecting it*

Sender: brouhaha

Subject: Win a Free game console!

4 *There are lots of misspelled words*

Sender: Sunsh1n3 Superst@r

Subject: Brit3 dats R heer

5 *It sounds really strange*

Sender: Monica Lindsay

Subject: Re: mango justified
